

ECO SANITARY CLEANER

PRODUCT DESCRIPTION

EU-Ecolabel certified highly concentrated cleaner with pleasant, fresh fragrance. EU-Ecolabel Licence No. NL/020/038.

FEATURES & BENEFITS

- Removes limescale and urine stains.
- For daily and periodic professional cleaning.
- Suited for cleaning urinals, toilet bowls, sinks, floors and bathroom walls.
- Not suitable for cleaning calcareous stones (marble).
- For professional use.

USAGE

Depending on the contamination and surface, for daily cleaning dilute 0,3%-1% (1:330- 1:100). Suitable for manual cleaning and spray cleaning (spray bottle). Preferably, give the product time to work in. Then remove with clean water and treat with a damp sanitary cloth. Using hot water increases the cleaning power. Do not apply to acid-sensitive surfaces such as marble.

STORAGE

Keep package tightly closed and store under cool, but frost-free temperatures.

RECYCLING

The empty packaging can be fully recycled if rinsed with water. Disposal through the proper channels.
