OVERVIEW

- Manual folded paper towel dispenser for wall mounting.
- Compact, robust and anti-vandal design.
- Model suitable for holding between 400 and 600 C/Z-fold paper towels.
- It is mounted on the wall by means of 4 screws with their corresponding Ø 6mm wall plugs (screws and wall plugs provided). The support of the screws in the back of the appliance are acting as an anti-moisture support, as well as allowing an easy adjustment to the wall.
- Supplied with special opening key and with screws and wall plugs for mounting.

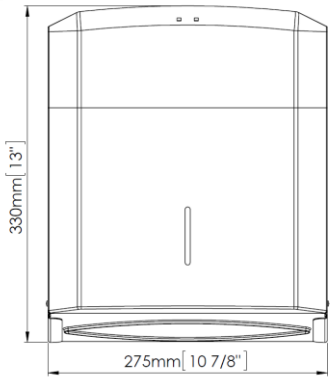

COMPONENTS AND MATERIALS

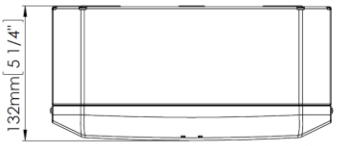

- **Body:** full welded with burr-free edges.
- **Lid:** Seamless one-piece, fixed to the body by means of 2 rivets. It includes a frontal lock with standard mediclinics key, that allows swinging down of lid for replenishment.
- **Back-plate:** with multiple slots for easy installation. Total compatibility with DT0106 series.
- The towel tray opening has bound edges to minimize tearing of paper towels.
- Slot at the front with a plastic viewer that indicates the content level.
